LONG-TERM ASSIGNMENT (LTA) INFORMATION AND CERTIFICATION OF SUBSISTENCE RATES

STD. 653 (REV. 6-94) REVERSE

DEFINITION

A Long-Term Assignment (LTA) is an assignment which exceeds 30 consecutive days at any one location. While they may not be compensable, trips to the employee's residence or headquarters on the employee's regularly scheduled day(s) off, vacation, Administrative Time Off (ATO), Compensating Time Off (CTO), sick leave, holidays, personal trips, or short-term travel assignments do not interrupt the continuity of the LTA. The LTA terminates when the employee is re-assigned to another geographical area.

PRIVACY NOTICE

Information requested is mandatory. This information is used to determine the proper subsistence rate as provided under Department of Personnel Administration Regulations 599.619 and 599.621. Failure to provide all or any part of such information will result in nonpayment. The principal purpose of the requested information is to ensure that the proper subsistence rate is applied. No known or foreseeable interagency or intergovernmental transfer of collected information exists. Direct any inquiries on information maintenance to your Accounting Office.
